Dear Commissioners:

As the current President of the Arkansas District Judges Council, which represents all of the district judges of Arkansas, I am writing to request a small salary increase.

Mark Leverett
Second District Representative
500 W. Markham, Rm 112

markleverett1909@gmail.com

We understand that the Commission is scheduled to meet on Tuesday, April 24 and will consider salary adjustments for elected officials. We had not intended to make a request for an increase in our salary, but, in light of the fact that the Judicial Council had sent a request, we thought it prudent that we write you.

Fred Kirkpatrick
Third District Representative
P.O. Box 968
Harrison, AR 72601

A district judge will attend Tuesday's meeting to hear your discussion. If you have any additional questions, or require additional information, please do not hesitate to contact me or Judge Stephanie Casady, who is the incoming president.

Tony Yocom
Fourth District Representative
