**RE: Initial Review and Recommendations**

Dear President Dismang:

Pursuant to our constitutional responsibilities under Amendment 94, please find attached the Independent Citizens Commission's recommendations to the President Pro Tempore of the Arkansas Senate and the Speaker of the House of the Arkansas House of Representatives concerning the amounts to be paid to members of the General Assembly for per diem, reimbursement for expenses, and reimbursement for mileage.

For their commitment to the process and upholding the responsibility of our charge to the people of Arkansas, I commend the Commissioners with their dedication to this monumental task involving a "vision to see, courage to act, and faith to trust."

On behalf of the Commission, thank you for your service to the Citizens of Arkansas.

Respectfully,

A handwritten signature in black ink that reads "Larry W. Ross".
